

PALMER INDUSTRIES

The Leading Manufacturer of Vanity Sink Legs

Model Specification: C-150

Style: Decorative Collar

This Palmer leg with Decorative Collar affords a traditional and timeless feel for today's finer bathrooms. The decorative collar provides an air of refinement and visual interest to this leg.

Product Description:

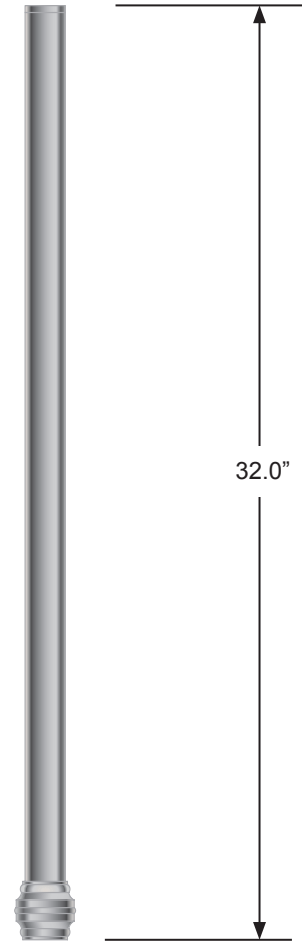

This single/individual 1.5" leg is designed with a decorative collar at the foot, and a flush cap at the top. The standard overall height of this leg is 32". Custom heights are available.

Available Finishes:

- Polished Brass Unlacquered (PBUL)
- Polished Chrome (PC)
- Polished Nickel (PN)
- Satin Nickel (SN)
- Oil-Rubbed Bronze (ORB)
- **Custom finishes available.**

Notes:

- **Tube Diameter: 1.5 inches**
- Also available in 1.0 inch diameter (C-100).
- C-150 leg height can be cut to desired size in the field with a chop saw or tubing cutter.
- All Palmer single legs are included with complete assembly instructions, leveling shims, hex wrench, extra set screws, locating pins, silicone, and polish.

Standard dimensions (inches) shown above.
Custom sizes and configurations are available.
