PALMER INDUSTRIES
CUSTOM SINK LEG SOLUTIONS

Bayonne

Palmer Industries is the leading manufacturer of vanity sink legs. Palmer washstands are proudly manufactured in the USA – designed, fabricated, assembled, and packaged in our Rhode Island facility. We maintain complete control over the entire process, enabling Palmer to custom fabricate any style, any size, any configuration, and any finish, efficiently and accurately.

Kingston

Working with architects & designers worldwide to produce unique

expressions of elegance

As a designer, engineer, and manufacturer of custom architectural metalwork, Palmer specializes in the production of America’s finest Custom Vanity Sink Legs.

Sink Legs do not simply play a supporting role in the design of your vanity; they play the defining role. The choice between elegant legs or just a wood box changes everything...

A Palmer leg system will integrate perfectly with your unique choices of personal colors, wall, floor, and counter materials, plumbing fixtures, and style.

Palmer washstands will support any choice of counter material, such as granite, marble, quartz, porcelain, cement, composite, glass, metal, or wood. You provide the counter, and Palmer will design the perfect leg system exactly to your unique specifications... an ideal marriage.

Engineered in solid brass and richly finished in a full palette of lustrous platings and hand-rubbed patinas, Palmer Industries brings you the finest in custom vanity sink legs, perfectly at home in your elegant master bedroom suite or your understated powder room.

Flexible Design... Rigid Assembly...

Palmer offers unlimited design flexibility to create exactly the style and configuration of console you prefer, while never compromising the engineering details that ultimately produce a sound and rigid assembly.

Our internal "unseen" components are just as impressive in their function as our external decorative fittings are in their form.

Components such as custom-designed reinforcing plugs and nuts, tubing connectors, and heavy-duty machine fasteners (never "sheet-metal" screws), all chosen in appropriate metals such as stainless steel and tempered aluminum, are carefully integrated to produce a seamless and lasting console.

APEX
A

Featuring minimal exposed metalwork and a structurally sound geometric form, the Apex offers a space-saving and simple wall-hung approach to vanity installations.

The Apex style is available with decorative collars as shown at right, or without collars as shown below.

Palmer washstands are the natural choice for supporting china or porcelain sinks...the perfect marriage.

Palmer leg systems can be sized to accommodate almost any choice of china sink.

Sizing a stand properly to a china sink can be accomplished three ways:

1. Choose a china sink from our online database located on our website Resources page at sinklegs.com/sinks. This database represents a current listing of sinks that Palmer has evaluated. Palmer will build the stand to fit the sink exactly.
2. Drop-ship the sink directly to Palmer for proper sizing evaluation. Palmer will then take all the appropriate measurements, and determine a washstand size that fits the sink perfectly.
3. Order the washstand larger than required with the intention of cutting the leg system on-site to fit the sink. Note: shelves cannot be field cut.

Minimal with Duravit DuraStyle sink

Counters MUST be securely fastened to the wall, independent of the leg system, with the Palmer Wall Bracket or equivalent. This is critically important to the structural integrity of the leg system.

R-0032420
R-0032420

PALMER MODULAR ASSEMBLY FEATURES

All Palmer washstands are shipped partially assembled, and many, but not all, can be easily cut on-site to reduce the size.

As shown, the legs are fully factory assembled, so only the Horizontal Front Crossbar and Wall Return Crossbars need to be assembled on-site.

Every Palmer washstand includes a complete hardware package for efficient installation.

1. Wall Bracket
2. Front Crossbar
3. Rear Riser (optional)
4. Top Cap
5. Corner Joint
6. Leg Tube
7. Foot

8. Shelf (optional)
9. Floor Pin
10. Shelf Support Tee Joint (optional)
11. Shelf Support Ring (optional)
12. Shelf Support Tube (optional)
13. Wall Return Crossbar
14. Wall Flange
15. Counter Pin
